Policy Author Follow the checklist within the Production and Control of Policies, Procedures, Protocols and Guidelines. (see Appendix I) Version Control Each policy, procedure, protocol and guideline document will have a version number clearly recorded on the document control sheet. This version number will also be dated so that the

What Is a Policy Procedure Protocol? | Bizfluent
Policy procedure protocol consists of information which specifies an organization's standards of practice that may include professional, legislative, regulatory and other business requirements. While developed policies and procedures are usually mandatory, specific written guidelines are advised, but not required.

Differentiating Between Policies, Standards, Procedures ...

Standards, procedures, and guidelines are more departmental in nature and can be handled by your change control process. Try not to mix policy with actual procedure steps which is what we often see. This adds complexity and the intent of the policy can get lost in the details.
