The Night Circus by Erin Morgenstern - Goodreads

I can't read any other circus books without thinking of *The Night Circus*. I feel offended when I read *The Nowhere Emporium* and saw how the author copy almost every idea off of this book. I can't read *Caraval* without putting it on hold to read this book again. The way Erin Morgenstern describe the circus is magnificent. The world but

The Night Circus ebook by Erin Morgenstern - Rakuten Kobo

One of the most wonderful books I've ever read. The story is fantastically imaginative. I could see all the details of the circus, see the clowns, smell the food I didn't want it to end. Once it was over, I was in a daze for a couple of days wondering what had happened.

The Night Circus: Erin Morgenstern: 9780385671736: Books ...

"The *Night Circus* is a gorgeously imagined fable poised in the high latitudes of Hans Christian Andersen and Oscar Wilde, with a few degrees toward Hesse's *Steppenwolf* for dangerous spice. The tale is masterfully written and invites allegorical interpretations even as its leisurely but persistent suspense gives it compelling charm. An enchanting read."

the night circus | erin morgenstern

This is a marvelous book. Audrey Niffenegger, author of *The Time Traveler's Wife* *The Night Circus* is the real deal, the kind of novel that will appeal to romantics, history buff, circus aficionados, mystery fans, and lovers of a good story. . . . Steeped in circus lore, filled with evocative scenes of magic and illusion, enriched by characters as varied as the clockmaker who crafted the circus's iconic timepiece . . . *The Night Circus* is worth staying up for.

The Night Circus, Book by Erin Morgenstern (Paperback ...

The circus presented in *The Night Circus* is as far removed from this as you could be. It is elegant, mysterious and original, and to me the book is worth it for the atmospheres and visuals that it paints alone. While I enjoyed the story

and characters, the environment and the role of the circus itself was what I really loved about this book.
