The Proper Care and Feeding of Husbands, from this unmarried man's perspective, is an excellent manual for women on how to get what they want from men and marriage and, generally, how to be happy. Dr. Laura makes a number of important, practical points, based on

her experience in private practice, from advising her radio callers, and from literally hundreds of letters and emails she received.

**The Proper Care and Feeding of Husbands is required**

...

Which is why we need help, and God instructs older women to train younger women to love their husband and children, to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God. [4] The Proper Care and Feeding of Husbands is a great resource for learning these important values and skills.
