[Kagan's structural approach to cooperative learning](#) Kagan's structural approach to cooperative learning. By Murray Bourne, 10 Sep 2007. Many teachers - and students - complain about group work in class. There are always one or 2 students who do all the work (so they say) and another 1 or 2 who don't pull their weight. But a big part of the problem is that teachers do not give students the required skills for effective group work. American [The Structural Approach To Cooperative Learning - ASCD ...](#)
